

SEATAC (SEATAC)

Nova Scotia Community College

📍 Dartmouth, NS

ABOUT SEATAC

SEATAC supports growth of the ocean economy by providing research services to local businesses that work in the ocean technology sector.

In 2019, Nova Scotia Community College (NSCC) was awarded federal funding for Nova Scotia's first Technology Access Centre (TAC). SEATAC received additional industry funding from Thales Canada and the Centre for Ocean Ventures and Entrepreneurship (COVE).

Through for-fee, easy access to NSCC's research expertise and technology, SEATAC helps businesses be more productive and competitive. SEATAC's team is focused on addressing customers' needs and collaborates with NSCC Applied Research and other NSCC departments to offer a wide array of services and expertise.
