Canada's Smartest Kitchen (CSK)
Holland College
 Charlottetown, PE

ABOUT CSK

Canada's Smartest Kitchen (CSK) is a recognized leader in food product development and leading-edge food innovation in Atlantic Canada and around the globe, supporting the validation of over 1,400 client products since 2009. Located on the beautiful Charlottetown waterfront in Prince Edward Island, our multi-disciplinary creative team encompasses decades of experience in the food industry and research sectors focusing on culinary arts and food science.

CSK specializes in food product development, consumer and sensory science, market intelligence, recipe development and food styling, corporate chef services and consulting. Meet our staff, review our service offerings and community projects, and our proprietary 'SMART' process at www.smartestkitchen.ca
